

# HUMAN GOVERNANCE

## - What is it and why is it crucial

These introductory seminars offers the first opportunity in Scandinavia to meet representatives from The Maturity Institute and OMS LLP to learn about the importance of Human Governance in sustainable corporate success and learn about the OMI – Global Human Capital Index as a risk analysis tool.

Identical seminars will be offered as breakfast and lunch seminars respectively:

07.30-09.00 Breakfast seminar

11.30-13.00 Lunch seminar

The seminars are free of charge for investment professionals, corporate representatives and media (*consultants need to contact the organizers*).

Registration is mandatory ([event@adducam.com](mailto:event@adducam.com)) as the number of seats available for each seminar is limited. Location for the seminars is IVA Konferens (Grev Turegatan 11) in Stockholm.
