"I was fortunate to have been given the opportunity to attend a self-rating OMR session with Paul Kearns and Stuart Woollard of OMS LLP. It was packed with ideas, suggestions and improvements based on the premise of improving the results of an enterprise with a focus on human governance, social responsibility and the environment. These gentlemen are not dewy-eyed tree huggers. They have a sincere interest in corporate results." US Law Firm, August 2016

OMINDEX is approved by the [Maturity Institute](#). Our proprietary OM30 PLUS questionnaire is a sophisticated tool developed to rate the S&P500 in conjunction with Harvard Law School's Pension and Capital Stewardship Project.
