

INCREASE YOUR COMPANY'S TOTAL STAKEHOLDER VALUE

Many companies now have an **OMINDEX®** (Organizational Maturity Index) **RATING** as investors increasingly use its insights. Now is time to **increase** your company's **returns from human capital, leadership practice and management systems** to **maximize Total Stakeholder Value**.

OMINDEX® RATING

Measures, Monitors and helps **Improve Governance, Culture and Human Capital Systems** to create **Value**. We can help you better align human systems and management practice - to produce sustained value at lower operational risk and achieve a higher rating.

MAKE THE CHANGE HAPPEN

We will help you to identify the **most value-promising organizational changes**, to engage your internal and external **stakeholders** and drive the **change** process to achieve desired **value outcomes**. Increasing your Organizational Maturity (and your OMINDEX® rating) will allow you to:
